

## **FERNKLOOF ESTATE RULES – PRESTWICK VILLAGE**

### **1.0 INTRODUCTION**

The Fernkloof Estate ("the Estate") has been designed to provide a comfortable and secure living environment and lifestyle for the residents of the Estate. The intention of these rules is that of protecting and enhancing this lifestyle and the environment of the Estate. These rules are binding upon all owners, residents, visitors and contractors, as are decisions taken by the trustees in interpreting or enforcing these rules. The registered owners of properties are responsible for ensuring that members of their families, tenants, visitors, friends and all their employees are aware of, and abide by, these rules. The Fernkloof Master Property Owners Association (MPOA) reserves the right to modify, amend, add to, or delete any of these rules from time to time.

This document should be read in conjunction with the other documentation issued to purchasers that includes the design guidelines for the Fernkloof Estate, the Constitution of the Fernkloof Master Property Owners Association, the Constitution of the relevant Precinct Estate Property Owners Association, and the Contractors Agreement which stipulates the conditions under which construction may take place on the Estate.

The Fernkloof Estate is a private estate, which permits a higher degree of control of the living environment than would be the case in a normal suburb. Therefore these structures have been set up to manage this environment and to exercise certain objectives such as access control and general on site security.

### **2.0 USE OF THE STREETS**

- 2.1 The speed limit is 30kph.
- 2.2 The use of motorcycles, quad bikes, scramblers, motorised scooters or other vehicles with noisy exhaust systems is prohibited anywhere on the Estate.

- 2.4 Owners must first make use of the three parking bays available on their property, before parking in the street will be allowed.

### **3.0 LANDSCAPING & MAINTENANCE OF VERGES**

These bins can be ordered from the municipality at a cost of R784.00 (VAT incl.). If this is a problem for the owner to arrange with the Municipality, the Estate Manager can attend to it on behalf of the owner, at an additional cost of R200.00 (total cost – R984.00).

## **7.0 PAYMENT OF LEVIES**

## **8.0 SECURITY AND ACCESS CONTROL**

- 8.1 A central feature to the quality of life at the Fernkloof Estate is security. The Estate is fully protected by electrified fencing that is designed to prevent unauthorised access to the Estate. The fence is also intended to deter baboons from entering the Estate. The electrical fencing will be monitored by the gatehouse closest to it. Each gate house will control their own access system. The office of the Estate Manager is situated at Lakeside Village.
- 8.2 An important element of a secure lifestyle is that of prevention and deterrence. Residents are requested to familiarise themselves with the procedures which have been developed to manage the influx of people and vehicles with the minimum disruption whilst at the same time protecting the residents. From time to time certain changes may be made to some of these procedures, and residents will be advised accordingly. Residents are reminded that they have the responsibility for the conduct of their visitors and for ensuring that they adhere to the security procedures.

## **9.0 REMOVAL OF ALIEN VEGETATION**
